

MAYOR KENNEDY STEWART

August, 2020

A Message from the Mayor

On behalf of the citizens of Vancouver, and my colleagues on City Council, I want to extend my warmest greetings to all those delegates participating in the Canadian Online Model United Nations.

I send wishes for a positive and successful event, as COMUN has responded to the COVID-19 pandemic and moved online. As many model UNs have been halted, and students have been unable to participate, this event will be an important space for students to learn and participate in the process. This will provide a safe space for education, learning and debate during these difficult times.

As Mayor of this great city, it is my distinct privilege to welcome students as delegates from around the globe. When everyone is working diligently to share knowledge and exchange ideas, we will see a more understanding and hopeful world. As your participants adapt to our current reality, I wish them a productive and educational Model UN experience.

Sincerely,

A handwritten signature in black ink that reads "E. Kennedy Stewart".
